<b>CE</b> —Continuing Education Feature	<b>OM</b> —Office Manager
<b>EdF</b> —Educators Forum	<b>PM</b> —President's Message
<b>PA</b> —Public Affairs	<b>SL</b> —Spotlight
<b>QC</b> —Quick Clinic	

Title index	Issue	Page
A hard line on a proper diagnosis: Understanding borderline personality disorder (QC); Taylor KS	4	16
ADHD: Puzzling out the misunderstandings (CE); McCormack J	3	8
An x-ray vision: GXMO credentials can work jointly with your skill set (QC); McCormack J	5	16
And the clock ticks on ... (PM); Couch CB	5	2
And the winner is ... (PM); Couch CB	3	2
Bone breakdown: Build up skeletal strength to fight osteoporosis (CE); Lenhoff F	1	8
Caring across borders: Medical assistant brings care to those living on the U.S.-Mexico border (SL); Cassata C	4	30
CKD unfiltered: Detect chronic kidney disease to protect health (CE); Lenhoff F	5	6
Class act: Medical assistant helps keep students healthy in school-based clinics (SL); Cassata C	2	30
Class is in service: Students learn and grow through community partnerships (EdF); Sivak C	6	22
CMA (AAMA) certification: Why it is the premier credential (PA); Balasa DA, Johnson A	6	6
Completing the circuit: Glitch-free referrals help the practice shine (OM); Taylor KS	5	28
Continuity of care: Pennsylvania employer gives CMA (AAMA) certification its stamp of approval (OM); Cassata C	1	28
Domestic violence: Sensitive treatment of a sensitive topic (CE); Harris M	5	18
Education with Es: Principles of the BSCS 5E instructional model (EdF); Simmons D, Taylor KS	2	24
EHR Incentive Programs: AAMA comments on the CMS Stage 3 proposed rule (PA); Balasa DA	5	5
Embrace change (PM); Couch CB	1	2
Eyes on the ears: Sound off on childhood ear infections (CE); Lenhoff F	4	8
Fighting endometrial cancer: Heed warnings to help women (QC); Schumacher PM	2	16
Fine print, bold consequences: The use and role of write-offs (CE); Harris M	1	18
Game changer: Gamification is helping students learn—and have more fun (EdF); Lowe L	1	24
Go-getter for health care: Medical assistant travels diverse and rewarding roads (SL); Cassata C	5	30
Health care home page: Engagement and productivity click with patient portals (OM); Lenhoff F	3	24
Heart of hearing: Simple steps to improve ECG efficiency (QC); Tomke CR	1	16
Ignorance is risk: Small-scale efforts prevent large-scale abuse (CE); Harris M	4	18
Inte-graded: Interprofessional education encourages a collaborative environment (EdF); Sivak C	5	24
Lead and I will follow (PM); Couch CB	4	2
Lights, camera, lecture!: Flip the script on classroom education (EdF); Schumacher PM	4	24
Making the jump: Tips to help new managers keep their heads above water (OM); Sivak C	2	28
Occupational analyses: Why such studies are important for examination and curriculum development (PA); Balasa DA	4	6
On the record: Medical assistant takes charge of incorporating EHRs (SL); Cassata C	3	30
Pat yourself on the back!: Physicians and patients express their gratitude (MARWeek); Cassata C	5	14
Prioritizing prevention: Medicare's Annual Wellness Visit (CE); Harris M	3	18
Proposed CMS rule is favorable for CMAs (AAMA) (PA); Balasa DA	3	6
Quality control: NSQIP targets postoperative complications (OM); Harris M	6	32
Register that!: Medical assistant helps trademark the CMA (AAMA) credential (SL); Cassata C	1	30
Smoke signals: Medical marijuana drifts into patient care (QC); Kolln KS	6	8
Sowing the CMA (AAMA) seed: Alabama administrator seeks every opportunity to help the profession grow (SL); Cassata C	6	34
Spring into step (PM); Couch CB	2	2
Standards for Ambulatory Care and the CMA (AAMA) credential: TJC document reinforces the importance of certification and does not limit the scope of practice (PA); Balasa DA	1	6
Stimulating the discussion: A close look at Parkinson's disease (CE); Lenhoff F	2	8
Stroll patrol: The six-minute walk test improves health care step by step (QC); Meeker J	3	16
The CMS order entry rule: What educators need to know (PA); Balasa DA	2	6
The dollars are in the details: Recognize and correct common patient ledger errors (OM); McCormack J	4	28
Time to plan: Prepare for a Medicare audit before the last minute (CE); Harris M	2	18
Tour de finance: Managing the revenue cycle (CE); Harris M	6	26
Weighing the options: Help patients measure the risks and benefits of weight loss surgery (CE); McCormack J	6	12
Wiser with an advisor: Students take wing with proper guidance (EdF); Kolln KS	3	28
