

Recruit 5!

And earn a free year of membership

The AAMA wants to reward you for supporting the profession and helping our membership grow. Simply recruit five new AAMA members, and have your next annual dues payment covered!

How to get started

All you need to get started is an active account on the AAMA website.

Here's how it works:

1. [Sign in](#) to your AAMA account.
2. Click on "My Account" and enter the email address of the prospective new member.
3. Have the prospective member check their inbox for an email containing a URL for the [Join page](#).
(They will need to join from that link in order to register credit to the recruiter.)

How to keep track

The AAMA makes keeping track a snap:

- You'll receive notification via email every time one of your prospective members joins.
- The AAMA will create a webpage for you to track progress on your recruitment efforts.
- After five new members have joined, a "Redeem Free Membership" button will appear in your account.
- Click on the button and claim your reward for your work!
